

# EnvEast Annual Report 2019

Your annual report should be written in consultation with your supervisor(s) and submitted using the online form at [http://bit.ly/EnvEast Annual Report 2019](http://bit.ly/EnvEast_Annual_Report_2019).

Questions are provided here to facilitate discussion with supervisors.

1. First Name
2. Last Name
3. Which year of study are you in?
4. Are you studying full time or part time?
5. What is your expected submission date?
6. Is your studentship a CASE award? **If yes...**
  - a. Please give the name of the CASE partner(s) and supervisor(s):
  - b. To your knowledge, has a formal CASE agreement been signed?
  - c. Has your CASE partner made the required annual financial contribution to your RTSG?
  - d. CASE students must spend 3-18 months on placement at the CASE partner. Have you fulfilled this requirement yet?
  - e. Please give the dates of your CASE placement (either completed or planned)
  - f. Did your CASE partner pay the travel and subsistence for your placement?
7. Are you funded by the EnvEast DTP? **If yes...**
  - a. We would like to know of any activities you have undertaken in the last year with non-academic organisations. This includes any activities undertaken with CASE partners. This might be, for example:
    - Placements/internships (including time spent with CASE partners);
    - Research partnerships (e.g. if you have a non-academic supervisor);
    - Access to facilities or field sites;
    - Data provision;
    - Training delivered by non-HEIs;
    - Engagement/outreach activities;
    - Etcetera!Please let us know brief details of any such activities from the last year or so, including the name of the 'non-academic organisation' and the nature of the 'activity'.
  - b. There is also space in the NERC annual report for "highlights and achievements not covered elsewhere". We are especially keen to hear from our non-Research Council funded associated students.

Please use this space to tell us about papers you have published, or other publications you have been involved in (book chapters, blogs, articles, popular writing) - as well as anything else you would like to highlight.
8. Please use this space to tell us about conferences at which you have presented
9. Please use this space to tell us about any prizes you have won
10. Please use this space to tell us about any media interactions you have had
11. Are there any other achievements not mentioned above that you'd like to tell us about?

Questions follow asking for student feedback on the DTP's activities.
